

CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT 2023

CHAPTER I- STATEMENT FOR COMPLIANCE WITH CORPORATE GOVERNANCE PRINCIPLES

ASELSAN, in scope of the Corporate Governance Principles which has been implemented by Capital Markets Board (CMB) since 2003, has been making efforts to work in compliance with the principles under the titles shareholders, public disclosure and transparency, stakeholders and Board of Directors.

ASELSAN, adopting the corporate governance understanding as a principle, was rated with a grade of 8,77 out of 10 as the result of the corporate rating studies carried out by SAHA Corporate Governance and Credit Rating Services Inc (SAHA) first in 2012 and therefore was included in the Borsa İstanbul Corporate Governance Index.

In 2023, as a result of the assessment made by SAHA, our rating, which was 9.34 out of 10 on 09.12.2022, reached its historical peak by rising to 9.41 as of 08.12.2023. The reason for the upward revision in our rating is that the damages that may be caused by the members of the board of directors during the execution of their duties are insured for an amount exceeding 25% of the company's capital and this issue is disclosed on Public Disclosure Platform (PDP) and the powers of the Chairman of the Board of Directors and the Chief Executive Officer/General Manager are clearly separated.

Corporate governance rating grade shows to what extent the companies comply with the corporate governance principles set out by the CMB. The Company's compliance level with the principles is defined with a methodology measuring under the main titles Shareholders, Public Disclosure and Transparency, Stakeholders and Board of Directors. Within this context, the methodology that is based on the "Corporate Governance Principles" published by CMB in January 2014, was used in the rating made by SAHA.

The ratings of 2022 and 2023 and the subtitles are given below:

| 2022 Rating Distribution | 2023 Rating Distribution |
|---|---|
| Shareholders : 89,59 / 100 | Shareholders : 89,59 / 100 |
| Public Disclosure and Transparency : 98,72 / 100 | Public Disclosure and Transparency : 98,72 / 100 |
| Stakeholders : 99,17 / 100 | Stakeholders : 99,17 / 100 |
| Board of Directors : 89,82 / 100 | Board of Directors : 91,88 / 100 |
| Average 9,34 / 10,00 | Average 9,41 / 10,00 |

ASELSAN Corporate Rating Reports published by SAHA are available in Turkish and English on the Company's website at www.aselsan.com/en

ASELSAN is in full compliance with all the mandatory principles of Corporate Governance Principles. There are no conflicts of interest arising because of the arbitrary principles where compliance has not been achieved. The titles regarding the arbitrary principles, where compliance has not been achieved yet, are given below and are explained in detail through the Compliance Report.

CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT 2023

- No recognition of minority rights to those who own less than twentieth of the capital indicated in the Articles of Association,
- Group A shares having the privileges on Board nominations and the transfer of those shares being subject to permission,
- The fact that although the mechanisms enabling the participation of stakeholders in the management of the company are built, they are not included in the Articles of Association.
- Non-existence of a judgement in the Articles of Association; declaring that shareholders may individually demand special audit of certain incidents from the General Assembly even if it is not on the meeting agenda, under the condition that the right to ask to obtain information and to examine has been used before and if the exercise of shareholders rights is necessary,
- The article "Group A shares shall not be sold or transferred without the consent of the Board of Directors because of the Company's operations in security and defence industry; in the event that these shares are transferred or sold to third parties partially or completely without the consent of the Board of Directors, the Board of Directors is entitled to abstain from recording this sale in the records" in the Articles of Association of the Company,
- The fact that a target, where the ratio of the female members should not be less than 25%, was not set and that there is not a written company policy on that issue,
- Not disclosing the compensation of board of directors and executive managers or the benefits provided to them per each individual,

With the resolution of CMB, numbered 2/49 and dated 10.01.2019, it has been decided that companies shall make their Corporate Governance Compliance Reporting, which is made in accordance with the Corporate Governance Communiqué numbered II-17.1, by filling the Corporate Governance Compliance Report and Corporate Management Information Form templates via the PDP. In accordance with this decision, our Company filled the relevant templates in PDP and added the templates to the end of the report as Appendix-1.

Corporate Governance Committee will carry on the necessary efforts in order to achieve full compliance with Corporate Governance Principles.

CHAPTER IV- STAKEHOLDERS

4.1. Informing the Stakeholders

The information requests of stakeholders are keenly handled and attention is paid in responding these accurately and in an understandable manner. Our employees are informed with an employee hand book and informative presentations over the intranet; continuous access to data and support is provided through help desk application over the intranet. Nonetheless, general and personal data that can be necessary outside the company are provided to access over the internet.

On the suppliers' side, activities to expand the ASELSAN Supplier Portal and Powerful Together, which were put into use to ensure effective information exchange, continued. Technical development and improvements are continuously made on the Supplier Portal. On-site trainings provided to suppliers, starting with sub-industry companies, continued. In 2023, ASELSAN suppliers were provided with trainings in this context. On-site trainings will continue to be provided in the coming period. In addition, our supplier communication and development activities are carried out on a single interface with the Powerful Together Platform, which was developed specifically for our suppliers and launched in April 2020. In 2023, the most comprehensive training program in the sector was established within the scope of continuous learning and development activities. Employees of the Vice President, Supply Chain Management Office participated in a training program consisting of 14 modules and 116 sessions and lasting approximately 3 months. The training program was digitized and made available to all ASELSAN employees and our suppliers through Gücümüz Bir. Throughout 2023, 102 personnel from our suppliers benefited from 52 different trainings and 705 training services were provided in total.

High quality standards and high technological solutions are offered for services or delivered products with regard to customer needs and expectations so as to meet customer satisfaction. Requirements of these quality standards are met and inspections, tests are applied through every process from projects' start till the delivery phases. Our all processes are administered by directives, quality plans, standards, audits and test instructions. Our processes have been certified by internationally accepted standards such as AS9100, ISO 9001, AQAP and CMMI so that our products and services are secured to protect quality standards. These certificates are renewed every year with the audits performed. Changes and improvements of international standards are being followed and our processes are developed accordingly. Customer satisfaction, which is the primary objective, is evaluated and reported for the access of related executives. In addition, results and trends are evaluated by the senior management on an annual basis and required improvement activities are planned.

It is possible to increase the quality of product and service correspondingly increasing customer satisfaction by supplying the materials used in products from the right and trusted sources. For this purpose, suppliers are subject to product and/or field of activity-based selection, evaluation and auditing processes. These activities that target continuous improvement and high quality standards for suppliers are regarded as playing an important role in eventual

product quality. In this direction, technical, trainings, technology/equipment transfers, on site visits and guidance, on the job trainings are for creating a high quality supplier portfolio. In addition, risk based delivery and quality inspections are conducted in order to clarify ASELSAN's expectations from the firms, increase their awareness and take improving actions. In order to reduce the ASELSAN's burden of design, development and/or production, and to maximize the utilization of suppliers' expertise through the cooperation starting from the design stage, and to have a faster and safer product/service supply chain; Strategic Cooperation Agreements are signed with ASELSAN approved suppliers having adequate technological infrastructure and expertise and that are able to develop themselves technicalwise and to sustain long-term relationship with ASELSAN. Within this context, ASELSAN approved suppliers are continuously evaluated and annually the number of firms that sign Strategic Cooperation Agreements with ASELSAN is being increased in order to enrich the Strategic Cooperation network. All information is shared within the context of confidentiality with our suppliers, who have the status of our business partners, and it is not permitted to share this information with unauthorized persons and third-party firms. Through related directives, handling any kind of relations between ASELSAN and the suppliers within the scope of law and ethical values, minimizing the occurrence of unsuitable conditions for protecting parties and securing the justice and transparency.

ASELSAN Magazine, published in Turkish and English every 3 months and A Bülten published in Turkish every month, provide information regarding the activities, technical issues and up-to-date social events. Hard copies of ASELSAN Magazine is delivered to the end users of products, shareholders who participated to the General Assembly Meeting, company employees and other related parties. A Bülten is uploaded to the social media, Turkcell Dergilik application and the corporate website right after it is publication.

The Compensation Policy can be accessed from our Company's website under Corporate Governance title.

The members of the Board of Directors and the executives do not perform any activities that may cause shareholders to incur losses or may diminish the Company assets. The subject that no debt shall be given, no loans shall be granted or no pledges such as guarantees in favor thereof may be extended to any members of the Board of Directors or to any employees through the use of ASELSAN assets, is declared within the "ASELSAN Ethical Principles, Values and Conduct Rules Document", which is available on our Company's website.

The e-mail mechanism for the stakeholders to report their complaints regarding the transactions of the company, which are against the legislation or deemed unethical, is stated in the ASELSAN Ethical Principles Policy. The policy has been published on the Turkish and English web site following the approval of the policy. Within the context of the policy, the Ethics Committee is informing the Corporate Governance Committee.

4.2. Participation of Stakeholders in the Management

ASELSAN observes the sensitivities of the sector where it operates; never compromises on the principles of fairness, transparency, accountability, and responsibility, which are the cornerstones of corporate governance; adds momentum into its consistent growth, an safeguards the interests of stakeholders. In an attempt to bring its lead on domestic platforms to the international arena, the Company works without respite towards full compliance with corporate governance principles and legal regulations.

CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT 2023

In the Articles of Association, there are no provisions regulating the participation of the stakeholders in the management. However, their participation to management shall be supported provided that it does not corrupt the Company activities.

The corporate governance structure of the Company gives the opportunity to all stakeholders including the employees and representatives to convey their worries with regard to transactions, which are inappropriate in terms of legality and ethics.

Our employee suggestion system with the theme of "Development Workshop", which aims to live, keep alive and take our values of development and excellence further together, continued to work in 2023.

Throughout the year, our employees conveyed suggestions to Development Workshop with the following topics; increasing productivity and efficiency, developing business processes, raising the level of quality, reducing cost / increasing income, enhancing employee and customer satisfaction, providing occupational health and safety, improving working conditions and the company image. Each suggestion was evaluated attentively and necessary actions were ensured to be taken.

4.3. Human Resources Policy

ASELSAN updates its Human Resources Policy regularly to maintain its strong employer brand and enhance employee experience. ASELSAN's main focus areas are to manage qualified human resources in full compliance with applicable laws and regulations governing the working life, provide modern employment and working conditions, encourage personal development, and boost work performance. ASELSAN's Human Resources Policy is aimed at creating a fair, respectful, and transparent working environment, and is made up of principles based on the Universal Declaration of Human Rights, the Conventions of the International Labor Organization (ILO) to which the Republic of Türkiye is a party, and the Turkish regulations on labor and social security. Our human resources management policy is a set of principles which creates a fair, respectful and transparent working environment. All employees are responsible for the implementation of the Human Resources Management Policy within the limits of their duties and authorities. Our Human Resources Policy supports a management strategy that not only allows the recruitment of successful and dynamic talents in compliance with vision of ASELSAN but also contributes to sustainable achievement of the company. The strategy also aims to enrich the culture by supporting its employees. Therefore, a lot of new human resources projects have been implemented in 2023.

The basic principles of ASELSAN Human Resources Management Policy are as follows:

- To accept the employees as a social entity with a personality, to respect their personalities, to protect their material and moral rights.
- To ensure that the authorities and responsibilities are fully determined, and to consider the fit of the characteristics of the task and the competencies of the employees.
- Creating equal learning and development opportunities and designing learning programs according to abilities, qualifications and development areas of ASELSAN employees.
- To ensure that the employees are motivated for high performance.
- To ensure that the workforce plan is dynamic and meets the strategic needs of the company.

CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT 2023

- To design a career management system which allows employees to ensure their career development and promotion in accordance with their performances.
- To create a peaceful working environment which promotes creative, constructive, honest, well intentioned and open communication.
- To ensure that appointment, dismissal and evaluation procedures are based on objective and egalitarian principles, away from personal criteria.
- To encourage every employee to express their ideas by activating all possible communication channels.
- To encourage each employee for improvement and development, as an individual or team member.
- To make employees feel safe regarding their job security unless their behaviors contradict with ethical rules, general principles and laws.
- To continuously review and revise the human resources management policy, in accordance with the values and strategic plans of the company.
- Not to discriminate based on language, race, gender, disability, political thought, philosophical belief, religion, sect etc. in the business relations.
- Except for compulsory reasons, not to take any different action directly or indirectly due to gender or pregnancy while making, implementing and terminating the employment contract.

63% of our employees stand for the engineering group, 27% for the technician group, 7% for the administrative group, 2% for the office personnel and 1% of the worker group.

Within the scope of the ASELSAN Talent Management Model, short, medium and long-term succession plans are created for managerial and critical roles in order to plan human resources in advance, prepare the organization for the future, and create a sustainable and healthy organization. These succession plans are based on the principle of determining the employees to be appointed to the vacant positions in the event that managerial positions and critical positions at the director and manager level are vacant for various reasons and bringing these employees to a level where they can undertake the said duties. It is under the authority of the Board of Directors to equip the employees determined for key positions with the qualifications required by the relevant positions and to train the relevant employees as the managers of the future, to identify the managers who will come to the key positions, to evaluate the managers who contribute to the realization of the company's strategic goals, and to assign them with an employment policy that provides equal opportunity in the relevant positions.

4.4. Ethical Rules and Social Responsibility

4.4.1. Ethical Rules

ASELSAN's Ethical Principles, Values, and Code of Conduct is reviewed and updated regularly to create working environments that comply with ethical principles based on integrity, honesty, and work discipline; prevent unethical behavior; raise awareness on ethical values; and align the Company's practices with ethical principles.

CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT 2023

Ethical Principles enable ASELSAN to create and preserve a working environment where ASELSAN employees treat one another with kindness, genuineness, tolerance, and respect, and voice their opinions open-mindedly. Thanks to the mutual trust established in the Company, employees act responsibly and look after not only their interests but also the long-term interests of their society, their Company, and all the stakeholders.

ASELSAN's Ethical Principles Committee is established under the corporate structure and management system of the Company and consists of seven members. Chaired by the Vice President of Supply Chain Management, the Committee consists of the representatives from Internal Audit Presidency, Support Services Directorate, Legal Affairs, and Human Resources, and two ASELSAN employees who are elected with the votes of employees. All ASELSAN employees are entitled to obtain information from the Committee and report any suspected unethical conduct to the Committee. Unethical conduct is promptly inspected by the Committee, which also implements necessary measures in line with the information and contributions received from the Senior Management.

When selecting new hires, utmost attention is paid to choose who are willing to comply with ASELSAN's core values and ethical principles. Every new member of the ASELSAN family takes an onboarding program whereby they go through comprehensive training on ASELSAN's Ethical Principles, Values and Code of Conduct, and ASELSAN's Directive on Ethical Values. New recruits are also tasked with mandatory Ethical Principles, Values, and Code of Conduct; provided a booklet on ethical principles, values, and code of conduct; and are expected to commit to ethical principles specified in the ASELSAN Covenant for Employment. Efforts are undertaken to ensure that all ASELSAN employees internalize ethical values in an environment where they are encouraged to uphold these values in their day-to-day work and at all times after the onboarding period. All ASELSAN employees can apply to the Ethical Principles Committee via the Ethical Principles Help Desk, while external applications are received at etik@aselsan.com.tr. ASELSAN's Ethical Principles Committee regularly announces the applications received and the evaluations made by the Committee to all ASELSAN employees to raise awareness on ethical principles and values. The Ethical Principles Committee presents a report at the Board Meeting every year in January regarding its activities, applications received and evaluations conducted.

The Committee issues certificates of appreciation for employees to encourage employee behavior that help promote ethical principles and values. Meanwhile, necessary steps were taken to send "Glad to Have You" notifications to employees via the "Glad to Have You" app on behalf of the Committee.

4.4.2.Social Responsibility

4.4.2.1. Environment

In ASELSAN, where decreasing carbon emission is one of the strategic goals, carbon emission has been monitored since 2009. ASELSAN is the first company among defense industry companies in Türkiye to participate in the climate change study of the UK-based independent Carbon Disclosure Project (CDP), which reports on how climate change risks are managed by companies. Thanks to its leadership on the subject, ASELSAN is among the important defense industry leaders in the world in climate change management with its scores above the global and national average. With the success it received in the first year of CDP Water Reporting, it reflected the value it places on water management. ASELSAN continued its success in CDP Climate Change Supply Chain Management with the studies it has carried out for the value chain.

CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT 2023

ASELSAN aims a sustainable carbon emission management and continues to work on increasing energy efficiency in production, giving priority to energy production technologies that will decrease carbon emission and production of environmentally friendly products as a responsible manufacturer with increasing momentum. Within the scope of the 2050 net zero emission target, ASELSAN set the goal of creating our entire passenger vehicle fleet from electric vehicles by 2030 and converted 25% of our passenger vehicle fleet to electric vehicles in 2023. By 2025, ASELSAN has started to work to meet the electricity consumption of its campuses from renewable energy sources.

ASELSAN was deemed worthy of many national and international awards for its works. We were awarded award in 2023 with our "Climate Change Management" at the UK-based The Green Awards, which is shown among the most prestigious competitions by environmental authorities all over the world. Likewise, our sustainability efforts and climate change management received awards from the U.S.-based The Stevie Awards.

Zero Waste is a system, which gives importance to reuse, decrease in waste production due to service and production, collection of the waste separately according to its type and recycling. By aiming protection of environment and human health, ASELSAN has strengthen its zero-waste management system during 2023. Wastes are collected separately to be recycled in a manner that will add value to the environment and the economy. The lunch leftovers are being shipped to animal shelters and used as organic waste composting and office waste is recycled. Food waste was sent to animal shelters, organic waste was composted and office waste was sent for recycling. Garment and toy collection boxes have been placed in the campus parking areas and delivered to those in need within the scope of social responsibility. Thanks to the vegetable waste oil waste stations placed in the parking lots, vegetable waste oils brought by ASELSAN employees from their homes are sent for recycling.

Having certifications for ISO 45001:2018 Occupational Health and Safety, ISO 14001:2015 Environmental and ISO 14064: 2006 Greenhouse Gas Integrated Management System, we will proceed to take part in pioneer applications through actualization of national and international initiatives. Our work on Occupational Safety, which is one of the biggest indicators of our human-sensitive approach, was appreciated in 2023 with international Rospa awards and British Safety Council awards in England. With the ISO 39001 Road Traffic Safety Management System, the installation of which was completed in 2021 and system development continued in 2023, the company was awarded in the International Traffic Safety category from Road Safety.

In November 2014, Borsa Istanbul (BIST) has launched Sustainability Index that display the performance of January-March 2014 time period for BIST-30 firms in the fields of financial, environmental, social issues and corporate governance. With respect to that, as of this date, ASELSAN started publishing sustainability reports. As a result of the evaluation of our Company on the ASELSAN Sustainability Report, published in Turkish and English for the first time before the Index assessments, ASELSAN was among the 15 firms that were approved to be included in BIST Sustainability Index. In 2021, ASELSAN kept its place in the index as a consequence of the re-evaluation of ASELSAN Sustainability Report that was published in July 2021.

CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT 2023

Sustainability Report, which includes details on sustainable practices in the fields of safety and environmental management, was published on our Company's website (www.aselsan.com/en) in July 2023.

The valuation methodology used by Borsa Istanbul (BIST) to determine the companies that will be included in the BIST Sustainability Index has been changed, and it has been announced to companies that the sustainability valuation results of Refinitiv Information Limited Şirketi ("Refinitiv") will be used in the determination of companies that will be included in the BIST Sustainability Index as of 2021 valuations. According to the aforementioned rules, companies that are traded in Yıldız Market or that are already included in the BIST Sustainability Index will be subject to a sustainability assessment upon request. Companies subject to sustainability assessment are expected to respond to relevant questions and provide links to their publicly available information via Refinitiv's ESG Contributor Tool (<https://contribute.refinitiv.com/>). Companies have the opportunity to see their notes and update the data they have entered in the relevant field throughout the year. In this context, data entries and updates were made through the Contributor Tool as the Investor Relations Department throughout the year. In addition, internal ASELSAN studies were/coordinated in order to raise ASELSAN's grade within the scope of BIST Sustainability Index. In addition, surveys of independent sustainability rating agencies such as Sustainalytics, S&P Global, FTSE Russell, Corporate Knights Research Global 100 Ranking, Fortune & CRIF were participated.

Tekno Adventure is a corporate social responsibility project implemented by ASELSAN on April 24, 2019. The project aims to instill a love for science, coding and technology production in children, to whom we will entrust our future in a changing world.

In line with this aim, it is aimed to contribute to, inspire and arouse curiosity in children to discover themselves, their environment and the world they live in through science and technology by bringing children together with various activities that both teach and entertain in order to increase their technological literacy.

The project carries out its activities in many different science festivals and events to ensure that children between the ages of 7-13 gain awareness and self-confidence, acquire the ability to develop ideas, combine their imagination with the skills they gain in real life, become technology and code literate, and understand the importance of domestic and national production.

Since its inception, the project has reached many children through both physical and digital channels. Since 2019, more than 56 thousand children have been reached in 8 different cities, 4 different schools, more than 10 festivals, more than 75 educational workshops and experience areas. These activities include the Kit Workshop, Mars Rover, Space Journey-themed 9D cinema and experience areas. In addition, within the scope of ASELSAN 48th Anniversary activities, children had the opportunity to get to know technology and science with a theater play specially prepared for ASELSAN, and they also conducted fun experiments with the science show.

As of December 31, 2023, Tekno Macera has reached a total of more than 21,000 followers on social media, shared educational content has been viewed by approximately 795 thousand people and liked by more than 10 thousand people.

5.2. Principles of Activity of Board of Directors

Board of Directors carries out its duties and responsibilities determined with reference to TCC, Capital Market Law and Articles of Association. In this context, the basis of duties and operations are indicated in details in ASEL SAN Board of Directors Working Directives.

The agenda of the Board of Directors meetings is formed with the proposals of the Members of the Board of Directors and the committees and the CEO, it is afterwards evaluated by the Board of Directors Chairman and finalized. The subjects emerged as urgent and which are considered worthwhile to discuss may be added to the agenda during the Board of Directors meeting.

As per article 10 of the Articles of Association, the Board of Directors assemble when required and at least once a month. The number of Board of Directors Meetings in 2023 was 14. 97% of the Members of the Board of Directors attended all of the meetings.

The place, date, time and agenda of the next meeting is decided at the Board of Directors Meetings. Documents pertaining to the meeting agenda are sent to the members of Board of Directors at least 3 work days before the meeting by the Presidency.

The Members of the Board of Directors attend the meetings and fulfill their duties as per their authorization and responsibilities. The members who do not attend the meetings submit their excuses.

Board Office is established under Board of Directors in order to coordinate necessary issues in the name of the Board, particularly the relationships with the Presidency and TAFF, to execute planning and support the Board of Directors' operations.

All members have one right to vote, including the chairman. If the numbers of votes are equal, the vote of the chairman does not change the result. Abstaining is not possible, either rejection or acceptance is voted. The vote of the abstaining member is considered as a rejecting vote. The member casting a reject vote states the ground for this in the meeting minutes and undersigns it. According to the article 11 of the Articles of Association titled "Quorum of Meeting and Decision Making"; "The provisions of the TCC, Capital Market Law, regulations of the Capital Markets Board in connection with corporate governance and other relevant legislation are considered with respect to the meetings and decisionmaking quorums of the Board of Directors as well as with respect to any Board of Directors members assuming duties and positions outside the Company. Any action and resolutions taken by the Board of Directors without complying with the Corporate Governance Principles, which are made mandatory as to be complied by the Capital Markets Board, are invalid and considered as in contrary to the Articles of Association". In the operation year 2023, there were no related party transactions or any other significant issue, which had to be submitted to the approval of the general assembly since they were not approved by the Independent Members of the Board of Directors.

The signed decisions are made available to the follow up of the Members of the Board of Directors, senior management and authorized employees in the electronic platform.

5.4. Risk Management and Internal Control Mechanism

In ASELSAN, the effectiveness of internal audit activities, corporate governance, risk management and internal control processes are improved and the Company contributes to the achievement of the Company's targets. The most important role of the internal audit activities, which is an important component of the internal control system, is the provision of assurance and consultancy services to the Audit Committee and the Board of Directors on the internal control system and enterprise risk management. The 3-year audit plan and work programs are prepared on a risk-based basis and the results of the audit are reported to the Audit Committee and regular meetings are held with the Committee. By the Internal Audit Department;

CORPORATE GOVERNANCE PRINCIPLES COMPLIANCE REPORT 2023

compliance with legal regulations and company regulations, the application of ethical principles and the adequacy of controls to eliminate risks are evaluated.

5.5. Strategic Objectives of the Company

The Board of Directors is the top-level body to make strategic decisions and to execute and represent. As per the Articles of Association of the Company, the Board of Directors is responsible to determine the Strategic Plans and control its implementations.

Strategic Management Process is a part of Corporate Governance and is managed by the CEO in the name of Board of Directors, following the approval of the ASELSAN Strategic Plan which is prepared with the coordination of Strategic Management and Digital Transformation Directorate. Reaching ASELSAN's long term goals and sustaining success can be achieved through environment friendly strategies.

ASELSAN's vision is to be a reliable, competitively preferred, environment-friendly and human conscious technology firm, which preserves its sustainable growth in the global market via the values created for stakeholders, as well as serving its establishment purposes. Within this concept, annually updated 5-year Strategic Plan and 3-year Budgets are prepared. With this methodology, short- and medium-term targets are specified by considering long term goals. The operations to be carried out for these targets are executed by Vice Presidencies and performance evaluations are made based on Balanced Scorecard method, which is widely used in the world.

5.6. Financial Rights

Compensation procedures for Board of Directors Members and Managers with Executive Responsibility, which are set in written form in accordance with the Corporate Governance Principles, are published on our Company's website.

Monthly remunerations provided to our Members of the Board of Directors are determined by the General Assembly and no other benefits are granted apart from the monthly remuneration. Pursuant to the resolution taken at the 48th Ordinary General Assembly held on 26.04.2023, the Members of the Board of Directors are paid TL 9.750,- per month. As for the determination of the financial rights of the board members, no reward system is applied to reflect the Company performance and which is based on the performance of the Members of the Board of Directors.
