# GÜNGÖR-300

HIGH RESOLUTION DAYLIGHT  
CAMERA

FULL HD DAYLIGHT CAMERA

DURABLE AND COMPACT

CONTINUOUS ZOOM LENS

ULTRA LONG RANGE PERFORMANCE

# GÜNGÖR-300

## HIGH RESOLUTION DAYLIGHT CAMERA

### Applications

- Border Surveillance System
- Coastal Surveillance System
- Facility Security
- Long Range Surveillance
- Law Enforcement

### Main Features

- Nominal X60 Continuous Optical Zoom
- Internal X2 Extender
- Digital X2/X4 Magnification
- Image Freezing
- Automatic & Manual Contrast Adjustment
- Automatic & Manual Brightness Adjustment
- Automatic & Manual Gain Adjustment
- Automatic & Manual Focus Adjustment
- Optical Anti-Vibration (Optional)
- Suitable for Integrated System Architecture
- Upon Tripod & Pan&Tilt Operation
- Built In Test
- Military Grade Environmental & Electromagnetic Compatibility
- Built specifically for Commercial and Military Surveillance and Reconnaissance

### Technical Specifications

- Sensor Resolution : 1920x1080
- Sensor : 1/2" CMOS
- Horizontal FOV : 0.4° - 20° (1080p)
- : 0.2° - 10° (with X2 extender)
- Optical zoom : x60 (Cont.),
- Digital zoom : x2, x4
- Shutter Type : Global
- Video Output : HD-SDI, Ethernet
- Remote Control : RS422, Ethernet
- Feed Voltage : 28VDC
- Dimensions (h x w x d) : 195 X 800 X 225 mm
- Weight : Less than 15 kg

### Environmental Conditions

- Operating Temperature : -20°C to +50°C
