

**MURAT KARATAŞ**  
**EXECUTIVE VICE PRESIDENT**  
**AVIONICS AND GUIDANCE SYSTEMS**

Murat KARATAŞ was born in Çanakkale in 1977. He graduated from Middle East Technical University, Department of Electrical and Electronics Engineering in 2000.

He started his working life as a Candidate Engineer at ASELSAN in 2000. He took important roles in different projects as an Electronic Design Engineer between 2000 and 2008, and transferred to the Systems Engineering Department in 2008. Between 2008 and 2014, he worked as the system engineer and technical manager of critical air defense projects. In 2014, he was appointed as Air Defense Gun and Smart Ammunition Systems Program Director. After this duty, which he held until 2018, he was appointed as the Air and Missile Defense Systems Program Director, responsible for all air defense projects.

He was appointed as the Executive Vice President responsible for the Microelectronics, Guidance and Electro-Optics Sector on January 22, 2024. With the decision of the ASELSAN Board of Directors, he was appointed as the Executive Vice President of Avionics and Guidance Systems on January 3, 2025.

Murat KARATAŞ is married and has two children.
